

## Community Schools General Case Management

- The Community Schools General Case Management program is a partnership between HopePHL™, The Office of Children and Family Services and The School District of Philadelphia to offer support services to the communities of Wright Elementary and Dobbins Career and Technical High School.
- HopePHL partners with the school community to identify needs and provide resources and supports to students and their families through case management services, family forums and groups.

## The Crittenton Family Support Center

The Crittenton Family Support Center at HopePHL™ provides prevention services and supports to families in Northwest and North Philadelphia. Services offered at this location are Family Empowerment Services, Truancy Intervention and Prevention Services, Parent Education and Community Schools General Case Management.
