

Jamil Rivers, Vice President, Finance

Jamil Rivers is an innovative financial management professional with over twenty-five years of experience in leading finance teams in a variety of business sectors.

Prior to her position as VP, Finance, Jamil served at the helm of leadership in roles such as Chief Financial Officer, Finance Director and Divisional Controller. She is a proven change agent and leader and has provided financial advisory, financial analysis and accounting management to financial restructurings, distressed organizations and acquisitions. With a strong knowledge of budget, finance, analytics, grants management and compliance, Jamil has been responsible for multi-fund budgets as high as \$800 million. Jamil's current focus is to provide children, youth and families with the revenue support and financial information that are essential for equity and the ability to thrive, and equally important, providing leaders with the reporting tools necessary for critical decision making and strategic planning. Jamil received a Master of Business Administration from Arcadia University and a Master of Science in Accounting and Finance from the University of Southampton.
