

CHILDREN CANNOT WAIT

Part 3 - 2023

Counts of Children and Youth Experiencing
Homelessness in Pennsylvania by County

Prepared by the Policy Department of HopePHL
September 2023

Introduction

New reports from the Pennsylvania Department of Education (PDE) show that in School Year (SY) 2021-2022, **40,003 children and youth** were identified as homeless throughout the Commonwealth, an all-time high. This paper summarizes the PDE data, which they have sorted by county and region.

HopePHL works to inform practitioners and policy makers about children and youth experiencing homelessness in Pennsylvania.

HopePHL's series called the "**Children Cannot Wait Campaign**" (see <https://bit.ly/3qAQGIX>) aims to increase awareness of children and youth experiencing homelessness. Part 1 explored the data for Pennsylvania; Part 2 explored the data for Philadelphia; and Part 3 examines homelessness in Pennsylvania by county.

Education of Children and Youth Experiencing Homelessness (ECYEH) is a federally funded program managed by the PDE to eliminate barriers to education for students experiencing homelessness. PDE contracts with eight regions in the Commonwealth for local implementation. The regions use the funds to train school personnel in 500 school districts and 176 charter schools. These funds provide direct services like transportation, mentoring, summer programming, school supplies, school uniforms, and more. The education system is the only federal agency required by statute to report on children and youth experiencing homelessness.

Find the PDE reports [here](#).

Who Should Read This?

- We encourage policy makers, their staff, funders, child service agencies, school personnel, family advocates and others to read this document, gain an understanding of the data and consider expanding efforts to reach out to children and youth who experience homelessness.
- HopePHL commends educational leadership who work to support all children and youth experiencing homelessness.

Highlights

- Child and youth homelessness is **increasing** in Pennsylvania.
- **52 counties identified *more*** homeless children in 2022 than the previous year.
- **13 Counties *did not*** identify more children experiencing homelessness in 2022 than the previous year. These counties tend to be rural:

Bedford	Clinton	McKean	Tioga
Blair	Greene	Pike	
Carbon	Juniata	Potter	
Clearfield	Lackawanna	Snyder	

- **34 counties identified *more*** homeless children in 2022 than in 2019, which was the last year data collection was not affected by the pandemic:

Beaver	Clearfield	Forest	Perry
Berks	Clinton	Fulton	Pike
Bradford	Columbia	Jefferson	Snyder
Bucks	Cumberland	Juniata	Susquehanna
Butler	Dauphin	Lackawanna	Philadelphia
Cambria	Delaware	Luzerne	Washington
Cameron	Elk	Mercer	Wyoming
Centre	Erie	Mifflin	
Chester	Franklin	Montgomery	

- **30 counties identified *fewer*** homeless children in 2022 than in 2019, which was the last year data collection was not affected by the pandemic:

Adams	Fayette	Lycoming	Tioga
Allegheny	Greene	McKean	Union
Armstrong	Huntingdon	Monroe	Venango
Bedford	Indiana	Northampton	Warren
Blair	Lancaster	Northumberland	Westmoreland
Carbon	Lawrence	Potter	York
Clarion	Lebanon	Schuylkill	
Crawford	Lehigh	Somerset	

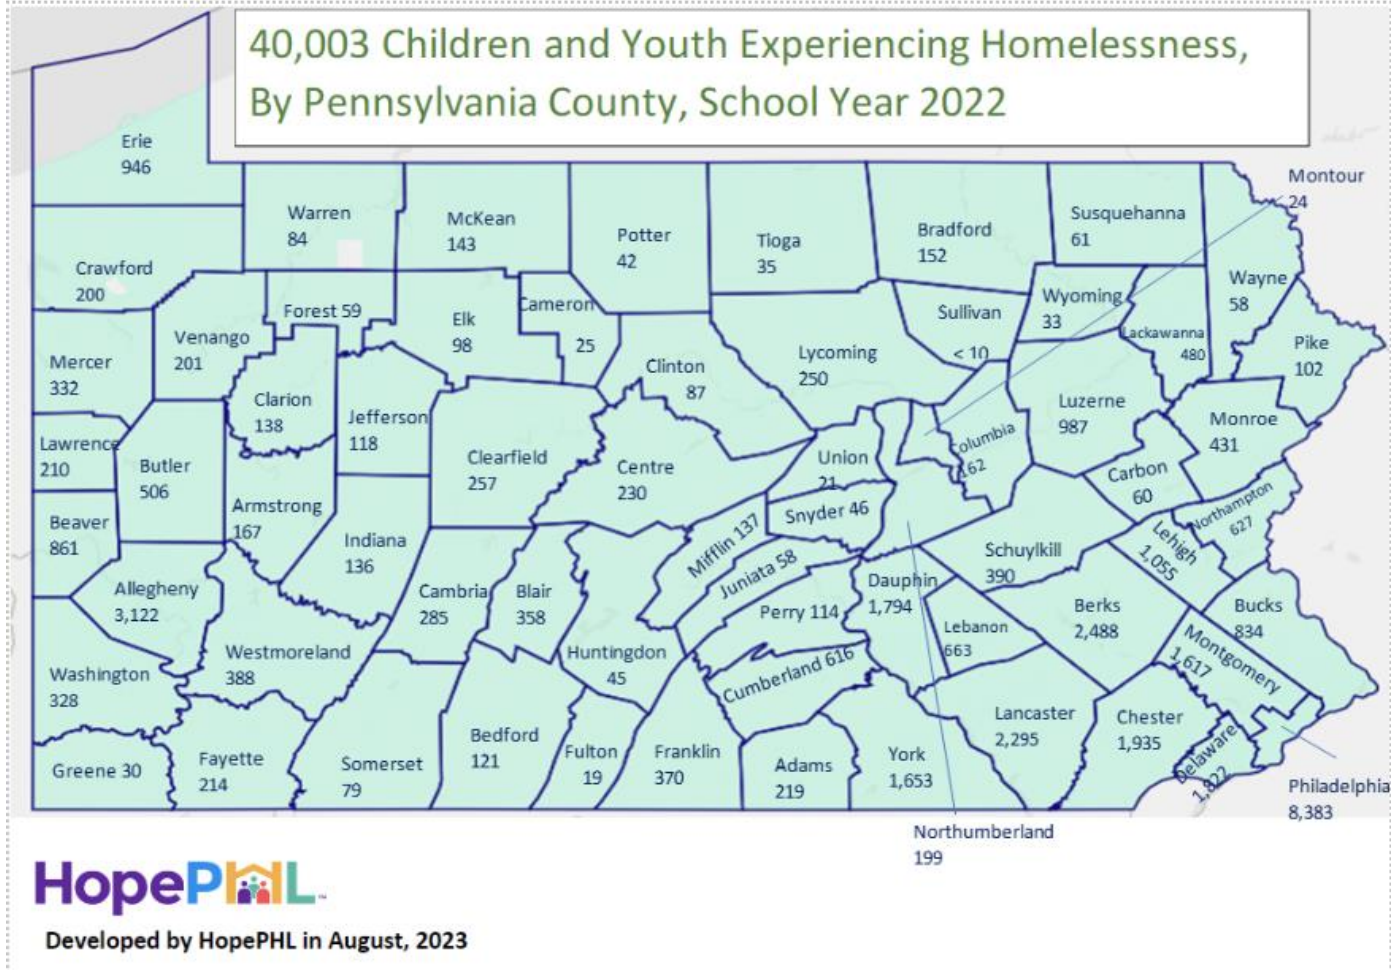

- **11 Counties identified *increasing* numbers of children all three years:**

Bucks	Chester	Luzerne	Northumberland
Butler	Delaware	Mercer	Perry
Cameron	Jefferson	Montgomery	

HopePHL Recommendations:

1. HopePHL recommends that **Pennsylvania’s Congressional delegation** support continuing the funding provided by the American Rescue Plan (ARP). Through the ARP, the Commonwealth received \$36 million for 500 school districts and 176 charter schools to engage and support students experiencing homelessness. Prior to this investment, Pennsylvania received less than \$6 million for the entire state.
2. The **Shapiro Administration** and the **Pennsylvania General Assembly** need to identify a funding source to supplement the federal investment, especially if Congress does not continue the ARP funding.
3. Locally, the **homeless housing and the education systems** need to **cooperate** to connect housing for families experiencing homelessness, **especially** those living **doubled up**.

4. HopePHL supports the PDE’s eight recommendations in the report, **especially** the suggestion to establish connections between shelters and pre-kindergarten programs.

Findings:

Number of Children and Youth Experiencing Homelessness, School Years (SY) 2020 to 2022, Pennsylvania			
County	SY 2020	SY 2021	SY 2022

Note “-“ indicates either a change in reporting_category or it reported less than 10 children.			

Number of Homeless Students in each School District/Charter School, organized by ECYEH Region:

- SD = School District
- CS = Charter School
- SY = School Year
- School Districts and Charter Schools **not** listed below suggests that they identified less than 10 students as experiencing homelessness in both SY 2021 and 2022.
- An asterisk (*) signifies that the number of homeless students was less than 10, a standard determined by federal guidelines.
- A hyphen ‘-’ means either that the data was not reported or is unknown in the 2021 School Year (SY).

About HopePHL

HopePHL™ (pronounced “hopeful”) was founded through an integration of two human service organizations in Philadelphia, PA: People’s Emergency Center (PEC) and Youth Service, Inc (YSI). Leveraging 120 years of combined service experience, it is HopePHL’s mission to inspire Philadelphia’s children, youth, families and communities to thrive by providing housing, advocacy, and trauma-responsive social services designed to promote equity, resilience, autonomy, and well-being.

HopePHL helps over 25,000 community members and residents annually to reach their goals of safe homes, economically secure and healthy families, and thriving businesses. People with Hope, thrive.

HopePHL advocates for urgently needed public policy changes on behalf of families and youth experiencing homelessness and the neighborhoods we serve. Learn more at www.hopephl.org.
